Mr. Michael Glennon  
Legal Counsel  
Committee on Foreign Relations  
United States Senate  
Washington, D.C. 20510

Dear Mike:

In the course of responding to a request for information made in connection with the Subcommittee on International Operations' investigation of foreign intelligence activities in the U.S., the Department of State encountered copies of several seemingly relevant Central Intelligence Agency documents. The Department has called this matter to our attention in accordance with the understanding on the third agency rule worked out at the 3 August Senate-House conference on the State Department Authorization bill.

We have determined that you have already reviewed one of the documents; three additional documents are available at your convenience for review in our offices in accordance with regular procedures pursuant to the Memorandum of Understanding between Chairman McGovern and the Director of Central Intelligence.

Sincerely,

[Redacted Signature]
